

Renuka Education Society
Renuka college of Education , Renapur
Institutional best practices

Renuka College of Education is organizing blood donation camps since last two years.

The college constantly works towards excellence in Education and for the welfare of students associated with the Renuka family. We endeavour to offer best experiences to students and involve all the activities required for the quality assurance in Education. Although at Renuka college of Education we have all our practices at best but to list any two practices considered being the best practices of the Institution the following are listed.

Best Practice -1

Morning Assembly

Objectives of the Practice :

1 To Create the cultural habit among the students.

2 To maintain discipline

Prayers to conduct everyday morning to mould the students give the spiritual / moral value .

3 The main objectives is to inculcate moral and ethical values among the students and to develop their behaviour .

4 To keep the mind and the soul peaceful.

5 Assembly enhances the term spirit, self confidence leadership quality and strengthens personality.

The Context :

A committee has been formed to monitor the prayer so that individual attention of the students is encouraged. Both students and teachers are the important participant on the occasion of prayer. The college focuses on unity and team building quality through prayer by the students. The prize winners of various competitions like sports and cultural activities, academic performance and 62 % attendance are appreciated in the prayer assembly for enhancing their positive attitudes. Reading of everyday news to enrich students general knowledge.

The Practice :

Everyday the morning assembly sessions are organized to improve the quality of education. The Assembly committee guides and encourages students to plan and conduct prayer on a regular basis. Prathana chanted to create humanity and integrity. The principles of self discipline and confidence

are inculcated the students are informed of the day to day activities and they are regularized in their academic work. The practice of prayer improves attitudes towards sustainable life style.

Evidence of Success :

The morning assembly offers opportunities to the students to improve communication skills and remove the stage fear. The prayer supports the students to have calm and reflective mood. Prayer creates a sense of pride in the students. It in stills self confidence. It moulds students to have friendly approach with neighbour, family member and the society also prayer a sense of togetherness in developed. Through the prayer moral social and spiritual values are inculcates successfully. Member of a prayer committee will make the students realize their social and national responsibilities, make them self reliant and help them to improve their skills.

Best Practice: 2

Empowering Women Through Education

1. Title of the practice: Empowering Women Through Education

Objective of the practice:

1. To equip students with all required life skills
2. To avail students an exposure to real field situations before completing their course.
3. To provide students good opportunities to observe, learn and empower themselves

The Context: Women empowerment is a far-off dream in our country and constant efforts are required for the upliftment of women. Education plays an important role in empowering women not completely but at least partially. Satyam College of Education puts this into consideration and plans activities to in still life skills in teacher trainees so that they can become self-dependent and empowered to an extent.

Practice:

Renuka College of Education adopts a rigorous and well-organized pattern of ensuring empowerment of all its students by planning a number of activities like Self Défense workshop to equip female students with basic techniques of self-defence. Students actively participate in the workshop and learn tactics in case of any emergency thus empowering women physically.

Best Practice 3

Internship Program

BEST PRACTICE - 4

The Title : Dealing with wastes in the campus.

Objectives of the practice :

A group to deal with waste management in the campus is formed constituting of students and staff of the college.

The objectives of this group are :

1. To generate awareness among students of managing wastes.
2. To involve the students in cleaning their college campus.
3. To set up waste bins in sufficient numbers to avoid littering.
4. To promote a sense of hygiene among students.

The context :

The content of the practice is to carry out waste management in a participative manner involving both students and teachers and also the College.

Evidence of success :

As an outcome of the programme group of 10 students were formed with a leader from each group. Damage bucket and dustbin were used for plantation of trees. Some plants like mango guava. Papaya and others vegetables plants were planted. Also a Whats App group was formed for easy access of the students. Important message are regularly uploaded in the group so that students actively involved can be informed at the earliest.
